

# Leadership & Management Coaching

***Explore and develop your leadership quotient and management style with the goal of enhancing your positive influencing skills and finding resolution in achieving your success through people.***

## **PROGRAM INCLUDES:**

- **One FREE introduction session (30 minutes) to connect client and coach and, identify if there is a fit.**
- **Five coaching sessions (60 minutes) over a virtual platform.**
- **The coach can be available to answer questions between sessions.**

**\$500.00**

## **PROGRAM DESCRIPTION**

Coaching is about engaging in a great conversation where open-ended questions are used to facilitate the discussion. Through the support of a coach, the client identifies and discovers the answers to their concerns.

Coaching is about challenging the client in a positive way to help build self-awareness, authentic & servant leadership, intrinsic motivation, emotional intelligence, agility ability and much more.

Sign up by utilizing this [link](#) for a free 30 minute coaching conversation.

## **ADDITIONAL PACKAGES**

Pivotn provides the following coaching package for \$500.00 which includes: five 60 minute coaching sessions via a virtual platform.

In the event there are any questions or concerns, the coach is available for one 5 minute conversation between all sessions.

In addition to the coaching package listed above, Pivotn offers 1 hour coaching sessions for \$150.00 each.
